

Mobile Maintenance

Makes your life easier

Bidvest Facilities Management's multi-skilled, experienced mobile team will do your basic **electrical, plumbing, mechanical** and **general building** support on a scheduled weekly, fortnightly or monthly contract.

DEDICATED | EXPERIENCED TEAMS

Services can be tailored to suit clients unique building and service requirements and budgets.

Mobile Maintenance

- Mobile maintenance teams provide corrective maintenance for general building services on a scheduled or planned basis, as well as planned preventative maintenance.
- The teams will also conduct general H&S checks of the building, standby power systems and major plant equipment.

Teams

- Teams are scheduled to attend client maintenance requirements as contracted either hourly, weekly or monthly.
- First-line maintenance requirements and frequency of visits to be agreed up front.

Rates

- Rates will be based on maximum area radius and number of offices / stores in that radius to be covered.

Adhoc Maintenance

- Adhoc maintenance / repairs can be scheduled on an adhoc rate card.

CONTACT CENTRE

Clients can log calls at Bidvest Facilities Management Contact Centre for the team to attend to either in an emergency or at their next scheduled visit.
